

24/5/21

Dear Angela and Remo,  
Thank you for letting us stay at the Priory,  
I really enjoyed the Food-My favourite was  
The lasagne and the Jelly- and the rooms were  
so clean and beautiful. I was on the top bunk  
but moved down to the bottom because I got scared.  
I also love the comfy couches in the common  
room and the Table Tennis table. It was actually  
my first time playing so it was quite the  
experience.

Some of my favourite Activities were, Lazy  
Harry, The tour of the old Beechworth Gaol, The  
sweet shop, and going to the Ned Kelly show in  
Glen Rowan which was my favourite because it  
was so well done. I also loved learning about  
The old Gaol and how the guards treated the  
Inmates. My favourite fact was that if a  
mother was sent to prison her baby  
would have to come stay in prison with  
their Mum.

So overall I loved the experience staying  
at the Priory, the food was AMAZING and  
I loved all the Activities. Thanks! ♥

From Alec!! (year 6)

Dear Angela + Remo,

Hi, my name is Montana. I have never been to Beechworth before. You made me feel at home.

On the way to Beechworth we went to the El Dorado museum + dredge. The food was a solid 10/10, my favourite was the lasagne and the chocolate mousse and I loved the egg with toast the best. I will like to give the cook a big thank you for cooking for us. And thank you for us to stay at the old priory.

I like the town and the honey shop. Everything else as well. But it was the best. and I loved the movie we watched "Malibu Rescue". and some people convinced ms Russell to go to the sweet shop 2 times!

I liked the rooms, all of them were different <sup>which</sup> ~~which~~ was cool. I liked to play the ping pong table it was fun a lot of people were very good at it. I have got 1 question how long have you owned the old priory?.

Thank you  
Sincerely Montana  
(year 5)

# Bee Beechworth camp!

Dear Angela and Remo

Thank you for some of the best days of my life! I am so grateful for you letting me and my class stay at your Priory. I had a lot of fun but these are my top 2 favourite things i did.

On Wednesday 19/5 we went to a court to do a re-enactment of Ned Kelly's trial. Most of us got a script and a role to play. I was the Clerk which was a lot of FUN! and I learned a lot from this experience. after the court house was done we came back for lunch YAY!

I also liked going to the Bee School for International Bee Day - it was a lot of fun learning about different bees and tasting the honey of course! lastly I liked looking at the bees and wasps under the microscope all close up even though the wasps scared me!

Thank you  
from Katerina Emmanuelle (Grade 6)
