Dear Remo and Angela

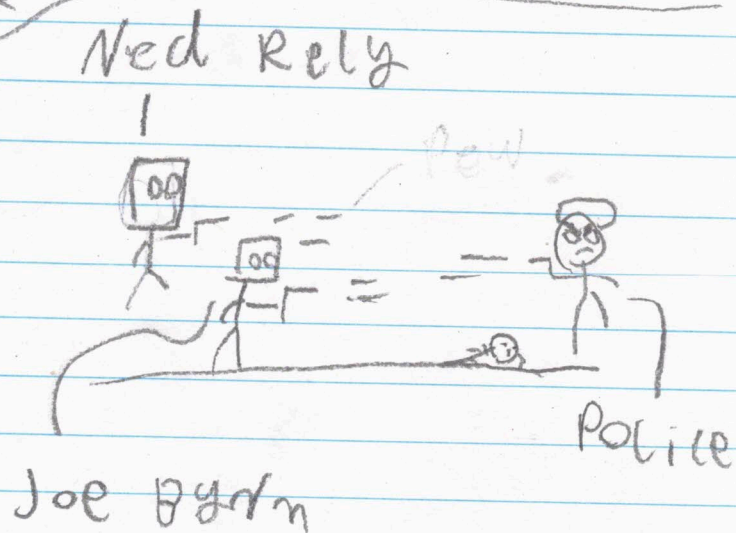

Thank you for having me and my class at the Priory and being the best school camp I have been to. I really enjoyed sleeping in your super comfortable beds.

I also really enjoyed Gold panning, Beechworth gaol, and the Ned Kelly re-enactment.

I learnt lots about Ned Kelly and the gang (Byrn, Kelly, Kelly, Hart) I also learnt ~~many~~ abundance of things about the gold rush and Beechworth's amazing history. I also learnt about Robert O'Hara Burke's mistriavel at the Burke museum.

ALSO question, do you get other people at the Priory or do you only do school camps?

Dear Angela and Remo,

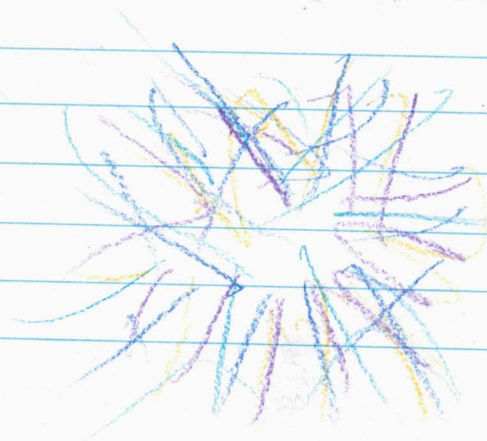

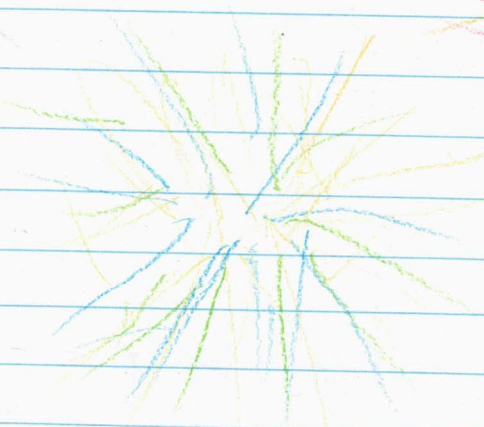

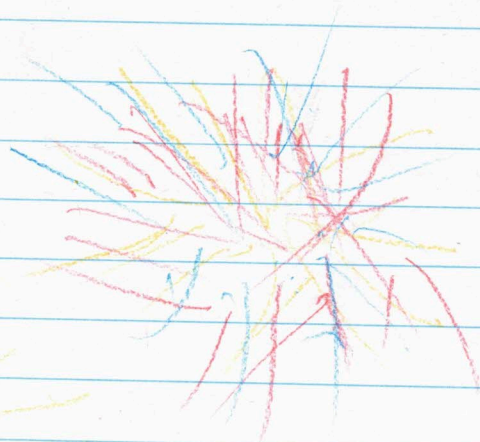

Thank you for letting us stay at The Old Priory. I really liked all the rooms and how welcoming and cozy the whole place was. I also really liked how easy it was getting around. All the rooms were absolutely lovely and comfortable to sleep and hangout in.

Staying at the Priory has inspired me to eat more vegetarian meals because the meals at the Priory were delicious and saying that is very rare since I'm a picky eater.

When I was staying at the Priory, I learned that I am capable of being away from my parents longer than I thought I could which I'm happy about.

Overall the experience at The Old Priory was amazing. Everything was so neat and organised and it was just so amazing so thank you again Angela and Remo for letting us stay at The Old Priory.

Dear Angela + Remo,

Thank you for letting us stay at the Old Priory. The cook Naire was amazing. I really enjoyed all of the activities we did: Panning for gold, the Eldorado Museum, the history camp fire, The Woolshed diggings, the Beechworth honey, the Beechworth goat, the Sweet Shop, the historical walk of Beechworth, the Beechworth Burke Museum, the Ned Kelly trial, the telegraph station, the movie night, and the Glenrowen Sound and light show.

The food was amazing. On the first day we had Shepherds pie and jelly. On the second day we had Baked beans + toast, Apple crumble + Veg Senichle, Frittatta, On the third day we had Scrambled eggs, Pizza + Soup, Lasagne + Chocolate Mousse. On the last day we had Spaghetti. They were all delicious.

We had so much fun and the food was the best I have ever had before and I learnt a lot of new things. I almost forgot the most funniest thing ever Lazy Harry - he was spectacular.

Dear Angela and Remo,

Thank you for being our hosts at The Priory. It was a tremendously fun experience that I will never forget.

The food was amazing and so was the amount of kindness to all the students that you had showed.

Beechworth Camp was only amazing because you two run it (in my opinion).

Camp was amazing and for that I will be forever grateful.
